

Kick your heels up and dance all night,  
This one you've found is especially right;  
Lights shining down and a meal to enjoy,  
Everything turning out the way you'll explore.

But all good things must come to an end,  
That woman you've found is only a friend;  
You might of been suited so perfectly though,  
You didn't have time to talk over all the things you know.

Never you mind and never you care,  
For romance has a way in a whirlwind affair;  
She'll be back at the beat of a turn,  
And you'll eat your hat for being so dumb.

Well that's the way t is at the end of the night,  
You tried your hardest but it wasn't quite right;  
Better luck next time you'll learn by your mistakes,  
And have her heart back with hot chocolate and cake.
