

Young and willing,
Heart to serve;
Intelligent mind,
Smart as well.

The idea to think,
To pick and win;
Something quick,
Slight and thin.

Me a man,
So Christopher is;
Pen in hand,
The god of his.

Time to learn,
Ten men will say;
That things are done,
In Christopher's way.

When people concern,
His will to love;
The depth to fathom,
Is the life to give.

A miracle child,
Born bright to try;
That perfect pureness,
No idea as why.

Signed,

Darel
