

Good morning people,  
How's the day;  
Welcome warmth,  
In Michael's way.

It's great to have,  
And say you know;  
Michael's heart,  
For friends to grow.

Mountain strong,  
And mighty arm;  
To chop the wood,  
Or build with charm.

With family pleasures,  
From daily life;  
His goodness treasures,  
His loving wife.

Born with a will,  
To work and want;  
To see the need,  
Of those who wander.

He slays the dragon,  
With sword of steel;  
His voice commanding,  
His idea real.

Signed,

Darel
