

Jillian I love you so much with all my heart ,  
I can't believe you will answer I can't believe it will start;  
But deep within me I know how much I need you,  
The truth of true love and only your love that will do.

Jillian I love you so really very much indeed,  
And it is you I am seeking and it is you that I need;  
You fill me with treasures of the true God of Love,  
The hope that our pleasure will live forever on above.

Jillian I adore you my heart goes a flutter,  
You make my heart melt like ice or like butter;  
And it's that hit and cold experience of emotions you head,  
The fresh taste of your breath and warm breast I feel.

Jillian my beauty to me you are just so much,  
You beautiful face and your hair gold as such;  
So now as I look down deep into your heart,  
I wonder if you love me back or think I'm just smart.

Jillian I love you and I want you to know,  
That you mean the whole world to me and I want our love to grow;  
I know how it hurts me being so long and far away,  
But I know that your love puts a smile on me each day.

Jillian I want you I can't bare being without you,  
You love and your charm has the personality I love you;  
I want you and need you to be every part of my life,  
So now Jilly my darling I ask you to be my wife.

Signed,

Just the one for me

Jilly I love you xxxxxxxxxxxxxxxxx
